## • Description ref n°7820 •

Spread over several levels, this complex offers numerous possibilities: a large family home or a possibility to split it into several apartments thanks to several entrances, with breathtaking views of the Lot River from all the north/west-facing windows, and a towpath.

Accessed from the street, it has a 10.56m<sup>2</sup> entrance hall leading to a 25m<sup>2</sup> living room, a 14.66m<sup>2</sup> living room/kitchen, a 20.51m<sup>2</sup> bedroom, an 18.39m<sup>2</sup> office or bedroom, and a 12.32m<sup>2</sup> master suite with a shower room.

Upstairs, an 8.97m<sup>2</sup> landing welcomes us and leads to a 10.31m<sup>2</sup> bedroom, a 7.67m<sup>2</sup> bathroom, and access to the attic space. A hatch provides access to the attic space above, but it cannot be converted.

A concrete staircase leads down to a 6.60m<sup>2</sup> hallway leading to three bedrooms of 10.90m<sup>2</sup>, 10.83m<sup>2</sup>, and 8.32m<sup>2</sup> with fitted wardrobes, all opening onto a large terrace overlooking the river. A 17.72m<sup>2</sup> cellar containing the "chappée" boiler, and two other cellars of 7.23m<sup>2</sup> and 22.03m<sup>2</sup> complete the property.

Some of the windows are double-glazed PVC, the rest are single-glazed wood or aluminum.

Mains drainage.

Two water meters.
