## • Description ref n°8068 •

Single-story house with a basement offering 139 m<sup>2</sup> of living space and an outbuilding on a 2,202 m<sup>2</sup> plot.

The house consists of a main room with an entrance leading to a dining room and an open kitchen, a living room with a wood-burning fireplace, three bedrooms, two bathrooms, one with a toilet, and a second separate toilet.

The basement consists of a cellar and a boiler room.

A barn adjoining the house is used as a double garage and storage space.

At the front of the house, a courtyard provides access to a landscaped garden with a well.

The window frames are double-glazed.

The sanitation system is individual thanks to a functional septic tank.

The heating system is electric with a recent heat pump. Solar panels installed in 2025.
