• Description ref n°8207 •

House built in 1988 of approximately 140 m² with outbuildings on a plot of 3824 m² with swimming pool. The house, mainly on one level, is composed of; On the ground floor, a main room of approximately 50 m² with a fitted marble kitchen open to the living room and dining room with insert, four bedrooms, a bathroom with double sink, toilet and towel dryer and a second separate toilet with sink. Upstairs, a fifth bedroom with balcony and a converted attic. Continuing from the house, an outbuilding of approximately 70 m² with four rooms including a laundry room, a workshop, a double garage and a convertible storage room. A cellar in the basement. Outside, two terraces on each side of the house lead to a landscaped garden where there is an 18m*6m infinity pool with chlorine. The sanitation system is individual by functional septic tank. The heating system is oil and electric. The frames are double-glazed wood.
