• Description ref n°8212 •

Discover this real estate complex offering great potential, consisting of two buildings located on a 5,600 m² plot (including 1,180 m² of building land). This property, located in a peaceful setting, is ideal for a residential project as well as for professional or leisure development.

Main House (96 m²):

The main house is spread over two levels. On the ground floor, you will find an entrance hall, a kitchen open to the dining room, and a bedroom. Upstairs, two additional bedrooms and a bathroom complete the property. This accommodation benefits from gas central heating.

Second Building:

The second building offers a small additional dwelling (without a bathroom), ideal for guests or to be redesigned according to your needs. It also features garages, barns, and various outbuildings for various uses (storage, workshop, etc.).

Technical features:

- Single glazing
- Gas central heating
- Septic tank
- Roof in good condition
- Well on the property

This property offers numerous possibilities, whether as a primary residence with annexes or for a more ambitious renovation project. Discover it now.
